

# Reflex Revitalise System

*Put the spring back in your step*

Is your timber floor surface in need of a makeover?

Reflex Sports Ltd can transform your current timber floor surface and give your floor a new lease of life.

Reflex can repair and refurbish your current timber floor to improve the appearance, totally transforming your facility. This ensures that your floor surface also adheres to any Sport England guidelines for slip resistance and light reflectance.

Reflex can also carry out sports line marking, ensuring that your facility achieves the most current Sport England guidelines for sports floors.

Reflex can provide you with a refreshed floor surface at a fraction of the cost of providing a brand new floor.

Our experienced repair, sanding, sealing and line marking team have been working with timber flooring for many years and deal with all types of projects, from village halls to schools and private health clubs.
